

AMENDED IN ASSEMBLY APRIL 6, 2010

CALIFORNIA LEGISLATURE—2009—10 REGULAR SESSION

ASSEMBLY BILL

No. 2214

Introduced by Assembly Member Fuentes

February 18, 2010

An act to add Sections 33103.5 and 33216 to the Public Resources Code, relating to public resources.

LEGISLATIVE COUNSEL'S DIGEST

AB 2214, as amended, Fuentes. Public resources: Santa Monica Mountains Conservancy: Pacoima Wash.

Existing law establishes the Santa Monica Mountains Conservancy in the Natural Resources Agency and specifies the authority and purposes of the conservancy.

This bill would require the conservancy to ~~prepare a coordinated development and recreational access plan~~ *develop a feasibility study* on or before June 30, 2011, for the Pacoima Wash, as the bill would define that term. The bill would require the conservancy to use existing budget resources and voluntary private and nonprofit local resources when preparing the ~~plan~~ *study*, and to request voluntary cooperation of other governmental authorities with jurisdiction over the Pacoima Wash. The bill would require the ~~plan~~ *study* to provide, among other things, for the establishment of a greenbelt in the Pacoima Wash, and the acquisition of real property in and abutting the Pacoima Wash and the subsequent lease, rental, sale, or other transfer of that property for park purposes.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

SECTION 1. Section 33103.5 is added to the Public Resources Code, to read:
